Vision

Excellence for all: inspiring individuals to achieve their personal best and to compete and contribute as local and global citizens

Our ethos:

- Traditional values and behaviour, married with a forward looking, dynamic and global outlook
- Excellence in the arts, on the sporting field, in STEM and across academic breadth
- An outstanding co- curriculum and enrichment programme, provided through our extended day, which nurtures and develops young people across a range of talents, promotes skills for life and underpins academic success
- An inclusive approach to building pupil motivation, aspiration and self-esteem, through our “all-age structure”, vertical House families, and outstanding pastoral and wrap around care, which means that pupils entering the school at whatever age and stage can be well supported in their learning, and achieve challenging individual targets
- The development of self, personal responsibility and accountability within a vibrant and supportive extended community through our weekly and term time boarding houses, our links with The Royal's existing alumni and our outstanding programme of engagement with the wider local community
- **Teachers, children and parents who are committed to learning as the passport to success**
- A unique physical location and setting in which to grow and develop, established within the heart of the city

At The Royal School we recognise each child as an individual and aim to provide students every opportunity to realise their full potential. We believe that a close partnership between the school, parents and the child is essential to achieving this aim. Students learn best if parents know, understand and are in agreement with the aims of the school. We therefore ask each child and parent to sign our Home/School Agreement.
