The Royal School is seeking to appoint an enthusiastic and talented Spanish with French teacher to join our highly motivated and experienced languages team. The aptitude to teach a wide range of abilities from ages 11-18 is essential. We are looking for someone who can teach Spanish and French to GCSE and A level. Ambition and passion for the subject is crucial. Applications are invited from experienced teachers to join our highly committed, outstanding team.

Are you the person to stretch, challenge, support and inspire our students in and outside of the classroom?

The school's distinctive ethos and culture where a truly holistic view of the personal development of the child is central to all that we do. The wider 'enrichment' programme at this all-through 4-19 boarding and day school is essential and helps develop confident pupils well equipped for life beyond the school. All staff contribute to this extensive programme with their personal interests and to join in with existing activities. The flexibility with teaching subjects outside of the MFL curriculum would be an advantage.

The languages department is at an important stage in its growth and development with driving the highest standards further forward. Our team of teachers strive to inspire and engage through using a wide range of pedagogical approaches; enabling our pupils to enjoy the benefits of a creative and innovative learning environment.

In year 7 and 8 pupils study two languages from Spanish, French and German and GCSEs start in year 9. Regular pupil tracking is carried out based on the four MFL skills. MFL is an enthusiastic and well-established department who seek to offer the best opportunities for students which include trips abroad, day visits, competitions and much more.

The Royal School is at an exciting time of development. The free school is an all-through (Reception to Y13) '*independent*' school without day fees whilst still providing excellent boarding at affordable fees. Alongside the growth in pupil numbers, there will be an expansion in the curriculum, enrichment activities and improved facilities, enabling us to extend and enhance still further the range of opportunities for all our young people.

The Royal School has achieved excellent academic results throughout its history and has an outstanding reputation for nurturing and developing confident, well-disciplined and successful individuals who progress successfully to the next stage of their life and career. We relish this next phase in its existence which enables us to review and build on our current success in preparing our young people for a rapidly evolving world and hope you will too.

Please, visit The Royal School website for further information and details of how to apply and we welcome personal visits to the school to see for yourself this vibrant, heavily oversubscribed school community.
